

## FIRST NATIONS ADVISORY

### ANNOUNCING DATES FOR SPRING CARAVAN TO VICTORIA

The Steering Committee of the Title & Rights Alliance - as directed by the Action Plan endorsed at the gathering in Prince George last fall - is proud to announce the dates of the Spring Caravan to Victoria.

The Title & Rights Alliance is calling on First Nations throughout British Columbia to come together on May 19<sup>th</sup> and 20<sup>th</sup> in Victoria. These dates were chosen to coincide with the end of the spring legislative session. The Title & Rights Alliance encourages those First Nations traveling long distances to begin the Spring Caravan on May 17<sup>th</sup>.

We encourage all Elders, leadership and youth from all First Nations throughout British Columbia to join us in Victoria. Strong participation from First Nations will help maintain the building momentum that began at the Kelowna and Prince George meetings. Strong participation will send an unmistakable signal to the Province — and the industries operating on our territories—that the ongoing infringements of our Title & Rights will not be tolerated.

The Spring Caravan and Victoria Meeting are part of the Action Plan approved at the gathering last fall in Prince George.

The Title & Rights Alliance was created to bring BC First Nations together to move forward in preventing infringements of our Title and Rights, to compel the Province and industry to recognize our Title and Rights, to hold the Federal government to its fiduciary duty and to stand unified in the threats by the Province.

In unity we will achieve our goals – for future generations.

Sincerely,

TITLE AND RIGHTS ALLIANCE
